

We have a sophisticated method for identifying every surgical patient— it's called **your name.**

**LANGLADE
HOSPITAL**

An Aspirus Partner

Consistently ranked in the top 10% of participating hospitals in a recent national patient satisfaction survey, Langlade Hospital delivers quality care with one-on-one attention.

Care is more personal and patients have a better overall hospital experience at Langlade Hospital. Your caregivers are your friends and neighbors, people from the area whose attention to detail never wavers. Here, our state-of-the-art technology is some of the best in the region. We're living proof that bigger isn't always better. *Langlade Hospital. An Aspirus Partner.*
